

Scents have been known to cause irritation of the eyes, throat and nose for some individuals with allergies, asthma and other respiratory conditions. They can also cause health effects such as dizziness, headaches, skin irritation, fatigue and other symptoms for some people. Helen Haller Elementary and Greywolf Elementary are a scent-free environment.

### **Some common sources of scents**

- **Perfumes/cologne**
- **Cleaning and other chemicals**
- **Hair spray and other hair/personal care products**
- **Creams and lotions**
- **Air fresheners**
- **Hand sanitizer**

*Please, when volunteering or visiting DO NOT wear perfume, cologne, body sprays or scented lotions because of staff and students who are at risk when exposed to scent. If you come into the building wearing scent you may be asked to leave the building.*
