

## 2009-2010 SEQUIM SCHOOL DISTRICT BUS ROUTES

**NOTE:** BUS ROUTE AND TIME CHANGES! Students K-12 will ride same bus; there is only one (1) bus in AM and PM. **AM Greywolf Elementary Notice!** Greywolf students will need to transfer to a shuttle bus in the stadium parking lot. Please remember, if a bus passes waiting students, it may be not be their bus. Morning Kindergarten students will ride regular route bus to school; Midday Kindergarten bus home. Afternoon Kindergarten students will ride a midday Kindergarten bus to school and a regular route bus home.

The Transportation Department recommends all students who will be riding school buses be picked up at their stops the first day of school. This will enable the bus driver and student to know which bus stop they will get off at in the afternoon. Exact times and pickup points cannot be determined until exact enrollment and passenger loads are fixed. It is recommended that students, who plan to ride buses, be at their stops well ahead of the time shown (5 min.). For the first day, new students will be picked up at all stops along routes, except for Hwy. 101 East and West routes. The following are routes, not necessarily bus stops. Times should be estimated for stops between the points for which time is shown. Students will be advised after two or three days where the permanent bus stop will be. Every effort will be made to space stops approximately one-half mile apart, thus requiring a quarter-mile walk along routes. Exceptions will be made only on a case-by case basis because of student safety, handicapping conditions, etc. Students will ride the same route bus A.M and P.M. unless otherwise noted.

ALL STUDENTS living on 101 West or East must catch the bus at their designated stop. DO NOT CROSS THE HIGHWAY and catch the bus at a later time.

There will be mid-day Kindergarten Bus Runs. Parents of Kindergarten students may view these bus routes at the elementary school. Bus drivers will not drop Kindergarten students at stops unless a parent or other designated adult is there to meet the child. The child will be brought back to the school. PARENTS: For younger elementary students on regular bus runs, please have someone at stop to meet the students, particularly on Hwy. 101 East and West.
